Quantity estimate

We often custom print in pattern-matched drops to fit the wall, saving on wastage and cost. We can help with quantity estimates based on wall dimensions provided by the client.

Installation

Supplied untrimmed with a 2cm bleed each side for double-cut installation. For colour accuracy please ensure wall is primed or undercoated with a white base. Paste-on-the-wall method with a high quality, heavy-duty paste. We recommend using a professional installer.

Care

Washable with soft cloth and soapy water only. Do not scrub.
